

# Scholarship Application Form 2005-2006

In May 2006, three scholarships of \$1,000 each will be awarded to students residing in and attending a high school in the province of Ontario and intending to pursue a career in mining or a mining-related field through an apprenticeship, college or university program. To qualify students must be attending full-time studies or completing final credits toward a high school diploma. Scholarships will not necessarily be awarded to students with the highest marks. We are looking for well-rounded students who have thoughtfully demonstrated their interest in a future career in the mining industry. An independent panel of judges will evaluate all applications.

**The deadline for scholarship applications is February 28, 2006.**

Please complete all requested information. Failure to do so may result in disqualification. All of the information provided to us will be kept strictly confidential.

If you have any other questions, please contact Melissa Zylstra at (705) 673-5705 ext. 304; 1-800-757-2766 (toll free) or melissa@nob.on.ca
